In closing; a word from Professor Davison:

"I wish to express my immense gratitude for the incredible support my family and I have received from South African supporters, WFRtDS member societies, and individuals from around the world. The time since my arrest has been the most difficult in my life, and without this support the anguish would have been much greater. The journey ahead will be a long and difficult one and my family and I take strength from your support and generosity.

*With gratitude,
Sean."*
