## STEUN BIJ EEN HUMANE DOOD IN EIGEN REGIE

**How to handle the death wish of someone in your area?**

With a death wish that cannot or should not be talked about, it goes as if everything a person has to keep to himself, the subject is going to occupy an increasing place in his mind. Just think of the familiar "you can't think of a white bear" and suddenly a white bear pops up in your mind, even if you don't want to. [Read more...](#)

**Heringa: the curtain has fallen**

The Supreme Court follows the Court of Appeal in Den Bosch that euthanasia may only be
